RECUSALS: California Government Code Section 87100 states that "no public official at any level of state or local government may make, participate in making or in any way use or attempt to use his/her official position to influence governmental decision in which he/she knows or has reason to know he/she has a disqualifying conflict of interest." Likewise, California Government Code section 1090 provides that certain government officials and employees "...shall not be financially interested in any contract made by them in their official capacity."

These sections of law permit the Stanislaus County Children and Families Commission to execute contracts so long as the Commissioner(s) with the conflict recuses himself or herself from making, participating in making, or in any way attempting to use his or her official position to influence a decision on the contract.
